◆ HOW TO PARTICIPATE ◆ Be A Sponsor

Sponsors are a vital part of the event! The benefits of being a sponsor include having an original piece of art created in your recognition, knowing that you brought community together in a positive environment, and being a supporter of art-based education in Mendocino County. Work with an artist of your choice, or we will pair you up.

Be An Artist

Artists will enjoy participating in a vibrant group art project. They will also have the opportunity to display their talent and style in a lively setting. We take care of artists! Pastels, lunch, and water are provided.

About Pastels On The

Plaza

On Saturday, May 19th, River Oak Charter School will present Pastels on the Plaza. This annual community event brings together art, live performances, businesses, and good food to Alex Thomas Plaza in a celebration of color and community.

This year our focus is "Strength In Unity" May our community grow stronger as we unify against challenges.

Join us for pastel art, maypole dances, and so much more!

River Oak

Charter School

River Oak Charter School is a community of educators and families committed to guiding children towards a lifelong love of learning, art, and a caring interest in the world.

River Oak Charter School uses a Steiner inspired curriculum to serve over 225 students in grades K-8.

Art, music, drama, storytelling, and crafts are woven through all curriculum.

Our students learn with their heads, hearts, and hands, as they learn and take part in their world.
